

Get a grip!

At Transdev the safety of our customers and employees is our number one priority.

So we are continually reviewing our operations to make sure our buses are safe, clean and convenient.

Remember:

- Buses constantly move – stay alert and watch your step
- Always use the hand rails when getting on and off the bus
- Don't be distracted by mobile devices
- Safety is your responsibility too.

Get on board with safety

Get a grip!

Three things you can do
to make your journey safer:

Hold on
to the strap

Hold on
to hand rails

Hold on
to the seat
